COMPANY OVERVIEW

*Engineering **Safe & Reliable** Mobility Solutions*

Rex Coaches is a division of **Rex Pipes & Cables Industries Limited,** a publicly listed company known for quality, reliability, and industrial excellence.

Rex Coaches is a professionally managed bus body manufacturing company engaged in the design, fabrication, and supply of high-quality passenger transport solutions across India.

The company specializes in manufacturing customized bus bodies for:

- State Transport Undertakings (STUs)
- Leading Private Fleet Operators
- Educational Institutions
- Staff Transportation Services
- Luxury Travel Operators

With strong engineering capabilities, modern fabrication practices, and customer-focused execution, Rex Coaches has established itself as a reliable partner in the bus body manufacturing industry.

Rex Coaches manufactures buses in compliance with Government safety and quality standards, including AIS-052 and AIS-153 norms, certified through ICAT approval processes.

VISION

To become one of India's most trusted and technologically advanced bus body manufacturing companies by delivering safe, durable, innovative, and sustainable mobility solutions.

MISSION

- Manufacture high-quality buses with superior safety standards
- Deliver customized transport solutions for government and private sectors
- Maintain customer satisfaction through quality, reliability, and timely delivery
- Continuously improve manufacturing technology and engineering excellence

CEO's MESSAGE

> At Rex Coaches, we believe transportation is not only about mobility but also about safety, reliability, and passenger comfort.

Our commitment is to manufacture buses that meet the highest standards of quality, safety, and regulatory compliance.

With extensive experience in state transport and private fleet projects, our team understands the diverse operational requirements across different regions of India.

We are proud to work with the latest bus body technologies and ICAT-approved AIS-052 and AIS-153 compliant systems. Our focus remains on innovation, strong customer relationships, and delivering products that create long-term value.

We thank our customers, suppliers, and employees for their continued trust and support.

SAFETY
Built with global standards for maximum passenger safety.

QUALITY
Committed to superior quality in every bus we build.

INNOVATION
Leveraging advanced technology for better mobility solutions.

RELATIONSHIPS
Building lasting relationships through trust, transparency and performance.

OUR EXPERTISE

Delivering customized, safe, and comfortable bus body solutions for every need.

STATE TRANSPORT BUSES

Robust and reliable buses designed for State Transport Undertakings (STUs) with high durability and passenger safety.

STAFF BUSES

Comfortable and efficient transportation solutions for corporate staff with spacious seating and superior safety features.

SCHOOL & COLLEGE BUSES

Safe, secure, and student-friendly buses built with advanced safety standards and comfortable interiors.

LUXURY COACHES

Premium coaches with elegant design, luxurious interiors, and world-class travel experience.

SLEEPER COACHES

Long-distance sleeper coaches with comfortable berths, privacy, and superior convenience.

TOURIST BUSES

Well-designed tourist buses for safe, comfortable, and memorable journeys across India.

CUSTOMIZED SPECIAL-PURPOSE VEHICLES

Customized solutions for specific operational needs including mobile units, utility buses, and special application vehicles.

CUSTOMIZED SOLUTIONS FOR EVERY OPERATION

- Engineered for Safety
- Designed for Comfort
- Built for Durability
- Supported with After-Sales Service

Rex® COACHES

ICAT CERTIFICATIONS & COMPLIANCE

Engineering Safe & Reliable Mobility Solutions

Rex Coaches manufactures buses in accordance with **industry safety and regulatory standards,** certified through ICAT approval processes.

ICAT
Innovation • Service • Excellence

ICAT CERTIFIED

ASSURING SAFETY.
ENABLING MOBILITY.

OUR CERTIFICATIONS & COMPLIANCE

AIS-052 – BUS BODY CODE

AIS 052

Compliance with AIS-052 Bus Body Code ensuring structural strength, durability, and passenger safety.

AIS-153 – GVWR REQUIREMENTS

AIS 153

Compliance with AIS-153 standards for Gross Vehicle Weight Rating and safety requirements.

CMVR COMPLIANCE

Compliance with Central Motor Vehicles Rules (CMVR) as per Government of India regulations.

SAFETY COMPLIANCE

Adherence to Passenger Safety Norms, Structural Integrity, Fire Safety, Electrical Safety, and Emergency Exit Requirements.

STRUCTURAL STRENGTH & STABILITY Standards

PASSENGER SAFETY Norms

EMERGENCY EXIT & ACCESS Requirements

ELECTRICAL SAFETY Requirements

MANUFACTURING STRENGTH

Engineering **Safe & Reliable** Mobility Solutions

MONTHLY CAPACITY

120–130 UNITS

Our advanced manufacturing infrastructure, skilled workforce, and process excellence enable us to deliver high-quality bus bodies at scale.

OUR MANUFACTURING CAPABILITIES

MODERN FABRICATION SETUP

State-of-the-art infrastructure equipped with advanced machinery and technology.

HEAVY-DUTY ASSEMBLY AREA

Spacious, robust assembly lines designed for high durability and precision.

WELDING & STRUCTURAL FABRICATION SECTION

Advanced welding technology and skilled fabrication for strong, safe and reliable bodies.

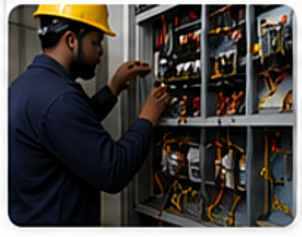

PAINT & FINISHING SECTION

Environment-controlled paint booth and finishing process for superior quality and durability.

ELECTRICAL FITMENT SECTION

Expert electrical installation, wiring, and integration for seamless performance.

INTERIOR FURNISHING & SEATING INSTALLATION

Comfort-focused interiors with ergonomic seating and premium finishing.

QUALITY INSPECTION AREA

Dedicated quality inspection at every stage ensuring compliance with AIS & ICAT standards.

SAFETY & COMPLIANCE ASSURANCE

All processes aligned with Government norms including AIS-052 & AIS-153 standards.

Rex COACHES

WHY CHOOSE REX COACHES

Engineering **Safe & Reliable** Mobility Solutions

7 REASONS TO PARTNER WITH US

01 **ICAT AIS-052 & AIS-153 COMPLIANCE CAPABILITY**

02 **EXPERIENCED TECHNICAL AND FABRICATION TEAM**

03 **APPROVED GOVERNMENT PROJECT EXECUTION EXPERIENCE**

04 **CUSTOMIZED DESIGN CAPABILITY**

05 **COMMITMENT TO TIMELY DELIVERY**

06 **STRONG AFTER-SALES SUPPORT**

07 **DURABLE AND PASSENGER-FRIENDLY BUS BODIES**

ADDITIONAL BUSINESS DIVISION
REX AGRICULTURE PRODUCTS

Apart from bus body manufacturing, the Rex Group is also engaged in agriculture-related business activities through its dedicated agriculture products manufacturing division.

ACTIVITIES INCLUDE

- Agricultural commodities trading
- Farm-related products supply
- Agro support services
- Regional agricultural distribution

QUALITY. RELIABILITY. INNOVATION.
Building stronger partnerships for a better tomorrow.

FUTURE EXPANSION

Engineering **Safe & Reliable** Mobility Solutions

01 ELECTRIC BUS BODY MANUFACTURING

Driving towards a sustainable future with advanced electric mobility solutions.

02 SMART PASSENGER MOBILITY SOLUTIONS

Integrating smart technologies for connected, intelligent and efficient passenger transport.

03 PREMIUM LUXURY COACHES

Delivering high-end, comfortable and stylish coaches for superior travel experiences.

04 EXPORT MARKET OPPORTUNITIES

Expanding our footprint globally with reliable, compliant and world-class bus solutions.

05 ADVANCED LIGHTWEIGHT BUS STRUCTURES

Utilizing modern materials and engineering for stronger, safer and more fuel-efficient bodies.

BUILDING TOMORROW'S MOBILITY

Rex Coaches is committed to continuous innovation, technology adoption and customer-centric solutions to shape the future of bus mobility.

Let's Build the Future Together

We would be pleased to fabricate fully built-up buses for your esteemed organization. Kindly let us know your availability so we can schedule a discussion and proceed with future business opportunities.

- Continued Innovation
- Customer Centric Approach
- Reliable & Safe Solutions
- Global Vision Local Strength

Rex® COACHES

MANUFACTURING PROCESS

Precision. Process. Performance.

Engineering **Safe & Reliable** Mobility Solutions

01 RAW MATERIAL STORAGE

- High-grade steel & aluminium procured
- Verified for quality and compliance
- Proper tagging & batch management
- Organized storage for easy traceability

02 CUTTING

- CNC & precision cutting machines
- Accurate measurements & layouts
- Clean, burr-free cutting
- Ensures consistency & minimal waste

03 BENDING

- Hydraulic press brake technology
- Precision bending for strong joints
- High dimensional accuracy
- Suitable for all body components

04 FABRICATION

- Strong structural framework
- Skilled welding & assembly team
- Focus on strength & durability
- Built to meet ICAT & CMVR standards

05 PANELING

- Accurate panel fitting & alignment
- Smooth body surface finish
- Corrosion-resistant materials used
- Enhanced aesthetics & durability

06 AC FITMENT

- Premium HVAC systems installation
- Optimal cooling & ventilation
- Proper sealing & quality checks
- Passenger comfort assured

07 INTERIOR

- Ergonomic seating & interiors
- Elegant finish & passenger comfort
- Overhead racks, lighting & flooring
- Designed for superior travel experience

08 QUALITY ASSURANCE

- Multi-level inspection process
- Dimensional & weld quality check
- Functional & safety compliance
- Ensures zero compromise on quality

09 DISPATCH

- Final inspection & documentation
- Safe and secure delivery
- On-time commitment
- Ready for roads, built to perform

BUILT WITH PRECISION. DELIVERED WITH PRIDE.

Every Rex bus is a result of precision engineering, skilled workmanship, and a commitment to passenger safety and comfort.
